The Optometric Oath

Before God and this assembly,

I solemnly pledge that

*I will faithfully and conscientiously administer the art
and science of optometry,*

*I will keep inviolate all confidences entrusted to me as
a practitioner and conduct all doctor-patient relationships
in an ethical and professional manner,*

*I will place the treatment of all who need vision care
above financial consideration.*

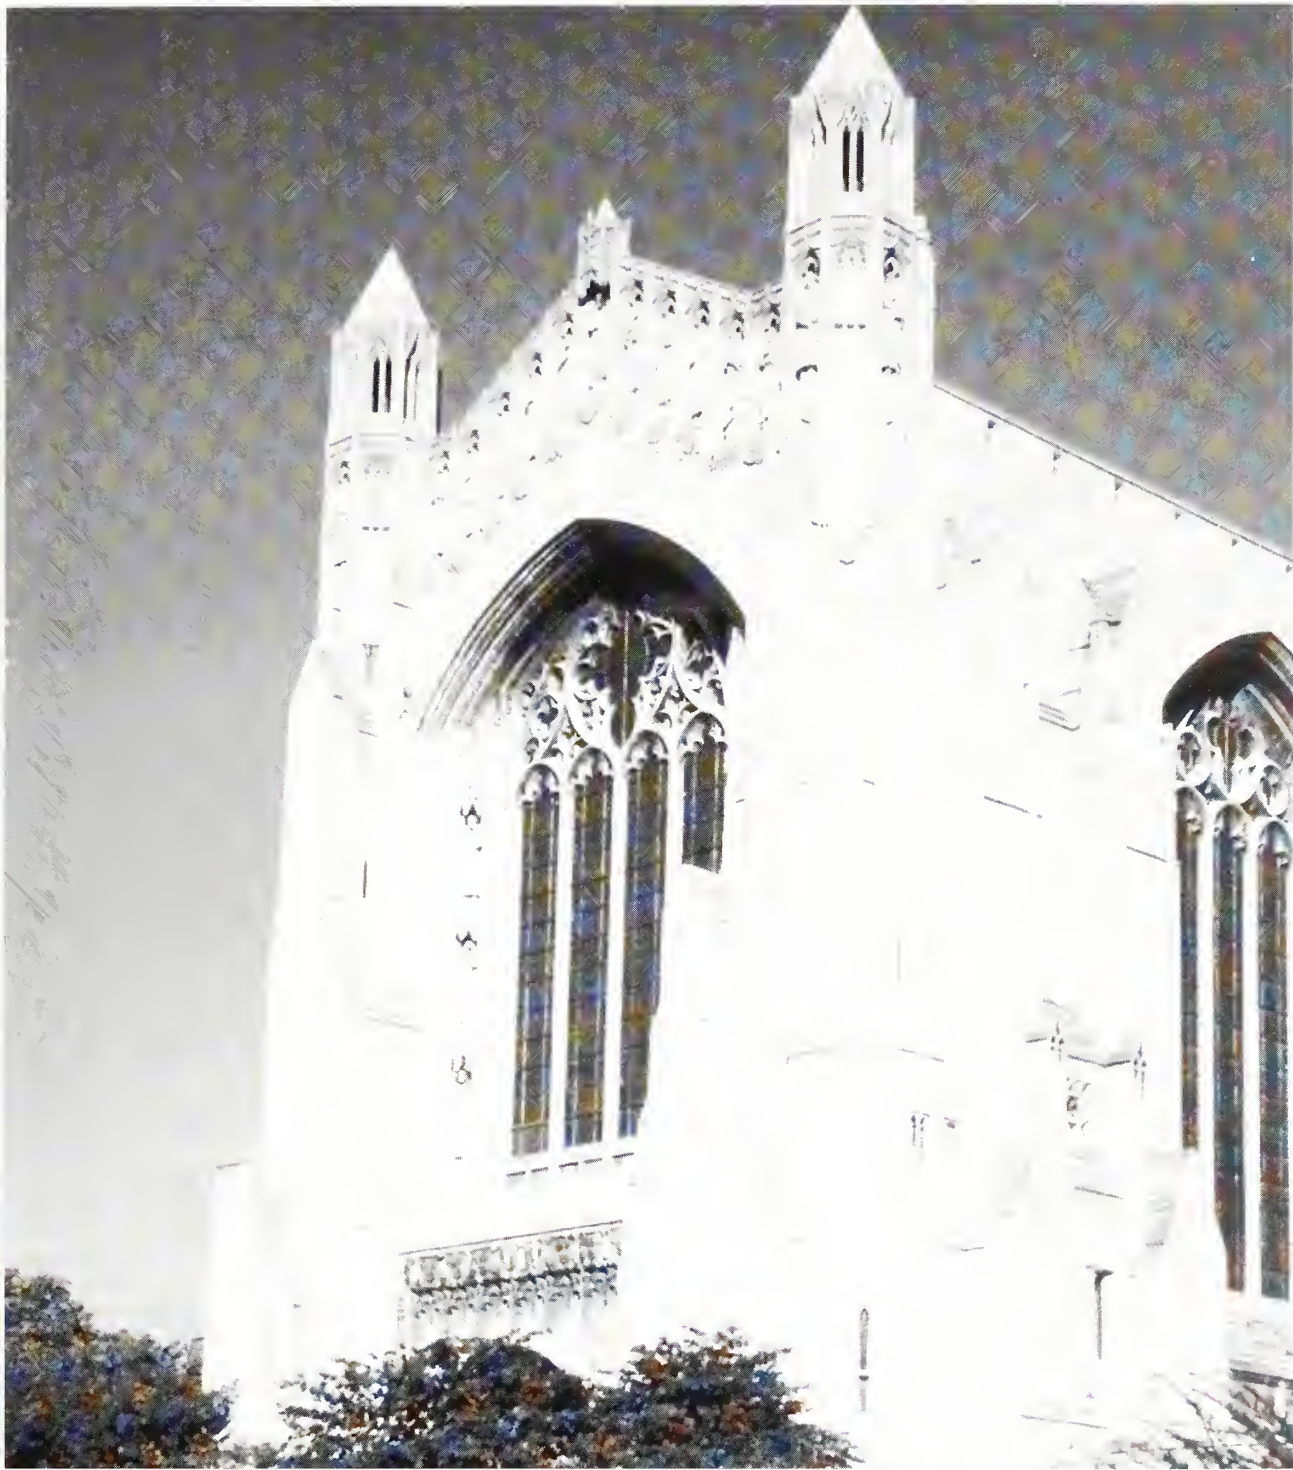

I will uphold and promote the ideals of the optometric profession.

*I will do all in my power to improve my knowledge of
optometry and increase the extent of my contribution
to the health and welfare of society.*

*I will render, to the best of my ability, complete optometric service,
I will do my utmost to serve my country and community faithfully,
as an optometrist, as a citizen.*

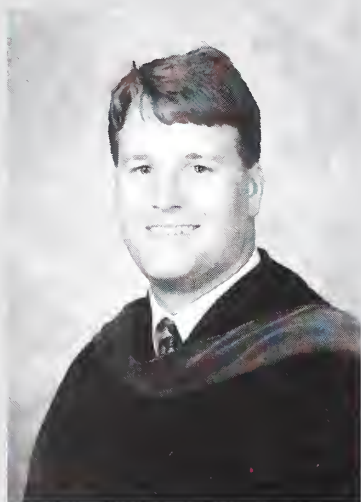

*I will strive by action and deed to honor the title bestowed
upon me this day. With firm resolution and high resolve,
I proudly dedicate my work to the betterment of human vision
and my life to the service of humanity.*

*And may God watch over me, and keep me steadfast,
in the due performance of this my solemn oath and obligation.*

Love is hard to come by, often never found
But we are truly fortunate, through love we are bound

A flame burns inside me, that will never die
For you my heart beats wildly, from morning till nigh

Through trials and tribulations, side by side we will
stand and from now until eternity we will walk hand in
hand

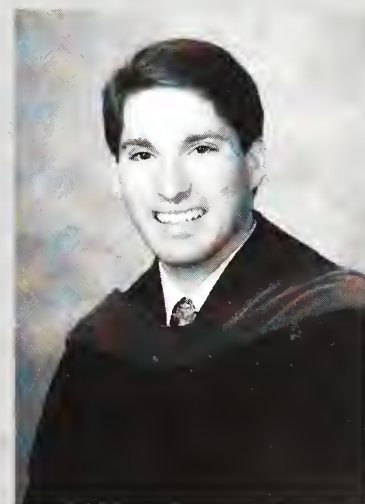

Our lives like a book, the plot continues to unfold
You're the next chapter, with you I shall grow old.

Throughout the past four years at ICO I have been surrounded by great people. Family, friends, and loved ones enabled me to reach my educational goals. I want to thank everyone who helped me succeed.

The friendships started at ICO have provided many fun times and memorable experiences that I will never forget. Thanks to them, my experience at ICO was a positive one.

The love and support of my entire family was greatly appreciated. My parents have also been invaluable to my school career by providing extensive support and always believing in me.

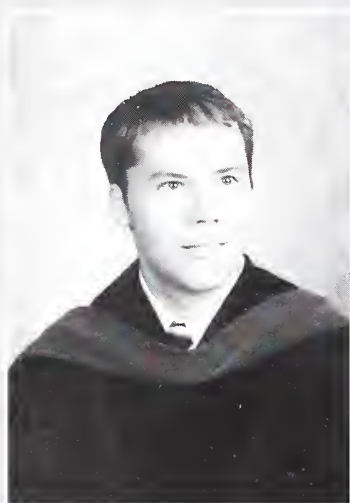

There are two very special people in my life that I cannot thank enough. My caring wife, Rachel, and beautiful daughter, Erica have offered me all their love, encouragement, and understanding.

4 years at ICO have come to an end.
Now only the future tells what is ahead.
No more quizzes, finals, or studying up all night,
I'm ready to go. I won't put up a fight.
Chicago's been fun, but it's time to go home.
Start paying off the loans, for how long who knows.
I've made some good friends along the way,
which makes it hard to go away.
But the time has come to say good-bye,
to start our careers and start checking eyes.

Dear Karma,

Love and care we sought to share,
Excellence and its pursuit, affirmed;
Our hopes and dreams, fulfilled in yours,
Now rise in celebrating your degree.
The honor - diligently pursued,
Is now awarded and received.

All who have shared your life,
Who have aided your faithful vision,
Now delight in knowing this . . .
The lives of many will be touched
By your love and care and insight.

Congratulations and our love
We now express.
We are indeed so proud of you!

We wish you joy and continuing
success.

Mom, Dad, Soren and Crystal

CONGRATULATIONS Doctor Julie O'Leary

This is a great achievement,
you so well deserve and earned.
We are very proud and happy for
you on this momentous day.

We know your future (and
your husband James) will be filled
with success and happiness.

With all our love,
Mom and Dad

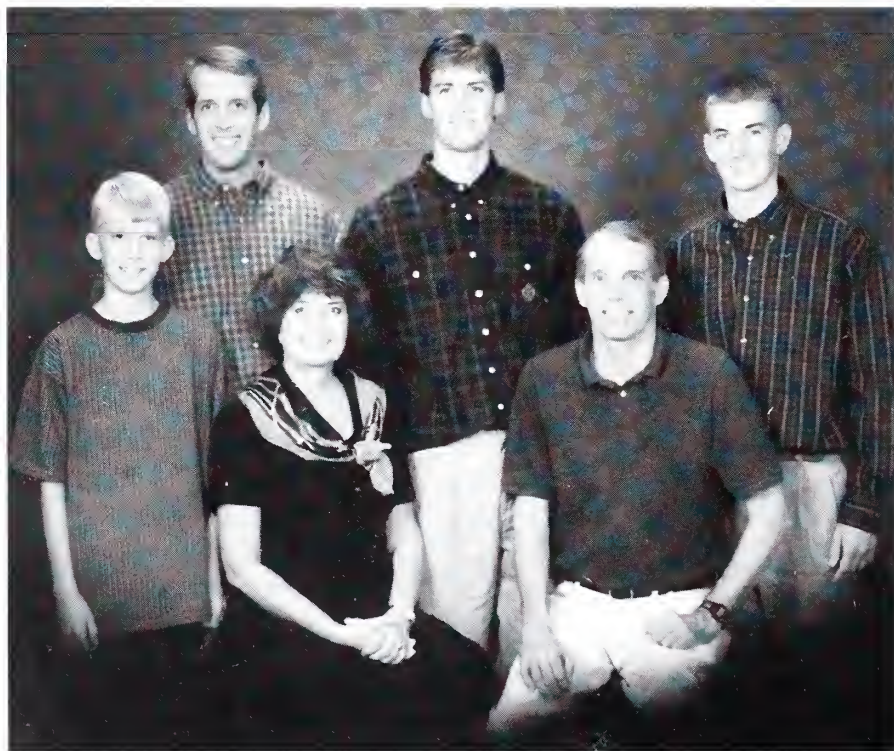

Amy,

Eight years ago, you set out
on a journey that brought you, with
hard work and dedication, to this
graduation day. We are very proud
of you. You will be a great
Optometrist, just as you are a
wonderful daughter and sister.
Congratulations!

We love you,

Mom, Dad, Julie, Lisa, & Mombo

Dear Erik,

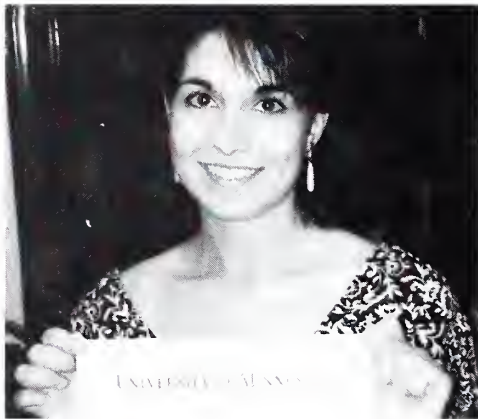

We love you and
knew you could do
it! God Bless You.

Love,
Mom, Dad, David,
Jacob, and Jonathan

Jeff, our P.T.P. - You had a special dream and challenged yourself to achieve that ultimate goal. With dedication and perseverance (and a little stubbornness thrown in), nothing deterred you until you were successful in your quest - an ICO degree. Jeff, you are now our Doctor of Optometry and we are, as always, very proud of your accomplishments. We love you.

Mom, Dad, Alicia, Larry, Chris, Jarred, Alexa & the Grandmas

Dear Patty,

"Nothing is ever achieved that stays in a dream". We always knew you had that "something special" to achieve your goals, and you've done it through hard work and dedication.

Our love for you and pride in you is non-ending. You will make a great optometrist.

Congratulations, Dr. Patricia Ann Czaja!

Love,
Dad, Mom & all the Czajas

Dear Tom,

Congratulations! We are all very proud of you. You have worked hard and made your dream come true. We wish you success in the future.

Love,
Missy, Hayden, and Madelyn
Mom and Dad
Debbie and Jeff
and your two families

Dear Kris,

Congratulations on your new career. We knew you could do it. We are very proud of you and wish you only the best. You are a great optometrist, wonderful son and the best brother, grandson, and nephew.

Love always,
Mom, Dad, Kim, Bill, Granny, Uncle Bob, and Amber

Dear Jessica,

Within each person lies great potential. You have gifts you haven't developed yet, strengths you haven't tapped. But they're there, waiting to be discovered.

You may not even have glimpsed them, but others have - and they love you not only for the person that you are, but for the person you are becoming.

Love you, Mom

Tim,

Well, Hull and Hurley never played Buddy Guy's, Oprah never asked you to appear, and the Black Hawks are still sticking with Chelios as captain instead of you. But, hey, at least you're an eye doctor! Poverty, talk to the hand! We're proud of you and congratulations on a vision accomplished!

Love,
Amy, Mom, Dad, Staci, and Dave

Thomas J. Rene

Congratulations on your hard work and determination toward achieving your goal. We are very proud and happy for you. We wish you a future of success and happiness.

Love,
Rachel and Erica, Mom and Dad,
Mike, Dawn, and Austin

Dear Jeff,

Ever since September 3, 1972 we have been so proud of you. You have worked hard and achieved much. Congratulations to a wonderful son and great "big" brother!

Love - Mom & Dad
Jason & Joma

Dear Dr. Mark,

You've finally reached your goal. Congratulations! We are so proud of you. Never forget where you've been, and look forward to what lies ahead. We know you will be a fine and caring optometrist.

Love you!
Mom, Gram, Jeff, Ruby, and Vikki

*Keep on dreaming and a part of your soul will always stay gold
Let your smile begin & end at your eyes
Let your eyes jaded by realistic & real life, linger on the innocence of the
eager child in the park, and feast on the smouldering evening sky
Let your feet shuffle playfully thro' the thick carpet of crisp leaves
Let your mind wander away from the harsh & the mundane, and imagine
you are from the bounds of realism
Let your flickering hopes flare up & illuminate your soul with your
dreams
Let your dreams be your inspiration in discovering life as you want to
live it

For Alyson

We know how hard you've worked,
We don't say this in jest.

We want you to know how proud we are
And that you are the best.

School has not been easy,
At times it has been fun.

But through it all you have endured,
And come out number one (with us).

You've always set your goals,
